

FOR IMMEDIATE RELEASE

Innovation Project Funding Available: ACOA Atlantic Innovation Fund

August 7, 2013, Fredericton, NB - The Atlantic Canada Opportunities Agency (ACOA) is inviting letters of intent for application to its Atlantic Innovation Fund.

The program is designed to provide assistance for research with promising commercial potential. Examples of project activities include:

- further development of an innovative product so it can be marketed
- development or application of improved technology for your business
- bringing a research idea from the lab to the marketplace

RPC specializes in market-led innovation and can provide services that support your project. We have collaborated on several successful AIF projects and would be happy to discuss your needs.

The application process starts with the submission of a mandatory Letter of Intent to ACOA before August 14, followed by a detailed Project Proposal due November 6, 2013. To find out more about the Atlantic Innovation Fund and to see examples of innovation at work, visit: www.acoa.gc.ca
