

FOR IMMEDIATE RELEASE

## RPC Appoints Beverley Corey as Controller

November 29, 2018, Fredericton, NB - RPC is pleased to announce Beverley Corey as Controller. Bev brings comprehensive accounting experience, in addition to team building and change management skills. Eric Cook, Executive Director, notes, "We are thrilled with the experience and capabilities that Bev brings to the management team, and especially pleased to provide a leadership opportunity that brought a New Brunswicker back home. Her energy and experience make her a great fit."

In addition to financial leadership, Bev will lead RPC's administrative team, and co-lead a significant project to implement a new enterprise resource planning system.

Bev is a graduate of both UNB and Carleton University.

"I am happy to be back home and excited to contribute to RPC's growth and success," noted Corey. "This is a great opportunity with an excellent organization."

Ms. Corey's appointment is effective immediately.

### About RPC

RPC is New Brunswick's provincial research organization (PRO), a research and technology organization (RTO) with locations in Fredericton, Moncton, and St. George, NB. RPC's complement of 160 scientists, engineers, technologists and support staff operate from a 13,000 sq. meter facility housing world-class analytical chemistry and material-testing laboratories, comprehensive life science capabilities, an internationally recognized fish health lab, extensive product development, design, manufacturing and testing services, and a wide variety of pilot facilities for the development and improvement of industrial and environmental processes and products.

RPC holds over 100 accreditations and certifications including a diverse ISO 17025 scope from the Standards Council of Canada (SCC) and is ISO 9001:2015 certified. Further information about RPC's services is available from [www.rpc.ca](http://www.rpc.ca).
