

FOR IMMEDIATE RELEASE

## RPC Sponsoring Canada Wide Science Fair

May 4, 2015, Fredericton, NB - RPC is a participating sponsor in the upcoming Canada Wide Science Fair (CWSF) to be held in Fredericton May 11-16. The University of New Brunswick will be hosting the event, the first time it has been held in New Brunswick. The week-long event will feature the top 500 finalists from across the country.

RPC is partnering with McCain Foods and will have a display at the conference. The display will include some science and engineering themes associated with the development of food products. McCain is a long-time client of RPC's, in fact, Harrison McCain was an original RPC board member in 1962. RPC and McCain staff will be available Thursday, May 14 from 1pm to 8pm, Friday and Saturday 9am to 12 noon.

For more information on the CWSF, see: <http://cwsf.youthscience.ca/>

### About RPC

RPC is New Brunswick's provincial research organization (PRO), an independent contract research and development and technical services organization located in Fredericton and Moncton, NB. RPC's complement of 95 scientists, engineers and technologists are supported by a 13,000 sq. meter facility housing world-class analytical chemistry and material-testing laboratories, comprehensive life science capabilities, an internationally recognized fish health lab, extensive prototype design, manufacturing and testing services, and a wide variety of pilot facilities for the development and improvement of industrial and environmental processes and products.

RPC is accredited by various organizations including the Standards Council of Canada (SCC) and is ISO 9001:2008 certified. Further information about RPC's services is available from [www.rpc.ca](http://www.rpc.ca).
