FOR IMMEDIATE RELEASE

RPC Sponsors 14th Annual United Way Golf Tournament

Fredericton, June 14, 2011 - RPC is pleased to sponsor the 14th Annual United Way Golf Tournament being held at the Mactaquac Golf Course on Thursday, September 8th at 1:00 p.m. The tournament is open to individuals or teams of four and the format is Texas Scramble. New prizes will enhance this year's fun.

United Way/Centraide is about helping people, linking resources to needs, improving the quality of life, and building stronger communities. The United Way reaches a wide variety of health and human care agencies that provide essential services to children, youth, families, seniors and the disabled. By supporting the United Way, you are supporting community services like Meals on Wheels, Big Brothers Big Sisters, Fredericton Foodbank, Fredericton Boys and Girls Club and many other organizations that help improve our community.

This is an excellent way to give back to your community while having an afternoon of fun. Proceeds from the tournament help to kick start United Way/Centraide (Central N.B.) Inc. annual campaign.

To participate, refer to the [invitation](#) and the [registration form](#).

About RPC

RPC is New Brunswick's provincial research organization (PRO), an independent contract research and development and technical services organization located in Fredericton, NB. RPC's complement of 100 scientists, engineers and technologists are supported by a 13,000 sq. meter facility housing world-class analytical chemistry and material-testing laboratories, comprehensive life science capabilities, an internationally recognized fish health lab, extensive prototype design, manufacturing and testing services, and a wide variety of pilot facilities for the development and improvement of industrial and environmental processes and products.

RPC is accredited by various organizations including the Standards Council of Canada (SCC) and is ISO 9001:2008 certified. Further information about RPC's services is available from www.rpc.ca.
