

FOR IMMEDIATE RELEASE

## RPC Welcomes Fifth Chairperson, Lee Corey

October 2, 2014, Fredericton, NB - RPC is pleased to welcome Mr. Lee Corey, President, Corey Nutrition Company, as the Chairman of the New Brunswick Research and Productivity Council (RPC). Mr. Corey becomes RPC's fifth Chairman succeeding Dr. L.W. Shemilt (1962-1970), Dr. Ken Cox (1970-1986), Dr. Knut Grotterod (1986-2008) and Mr. Ken Reeder (2008-2014).

Mr. Corey will lead a board of business and community leaders who volunteer their time to help provide guidance and oversight of New Brunswick's provincial research organization, RPC. Since 1962, RPC has been serving the science and engineering needs of business by providing analytical, science, engineering and innovation services.

In accepting the appointment, Mr. Corey thanked Mr. Reeder for his leadership and expressed his enthusiasm to support an organization well-known for its exceptional quality, expertise and customer service.

*Shown above is Lee Corey, Chairman, thanking Ken Reeder, past Chairman, for his service.*

### About RPC

RPC is New Brunswick's provincial research organization (PRO), an independent contract research and development and technical services organization located in Fredericton and Moncton, NB. RPC's complement of 98 scientists, engineers and technologists are supported by a 13,000 sq. meter facility housing world-class analytical chemistry and material-testing laboratories, comprehensive life science capabilities, an internationally recognized fish health lab, extensive prototype design, manufacturing and testing services, and a wide variety of pilot facilities for the development and improvement of industrial and environmental processes and products.

RPC is accredited by various organizations including the Standards Council of Canada (SCC) and is ISO 9001:2008 certified. Further information about RPC's services is available from [www.rpc.ca](http://www.rpc.ca).
