

# Laboratory Assistant – Organic Analytical Services

The Research and Productivity Council (RPC) is NB's provincial research organization, a research & technology organization that offers analytical services and applied research. In business since 1962, we serve over 1000 clients annually from our locations in Fredericton, St. George and Moncton, New Brunswick. RPC offers a challenging work environment and competitive compensation. For more information about us, visit our website at [www.rpc.ca](http://www.rpc.ca).

We are recruiting to fill a position for a **Laboratory Assistant** in our Organic Analytical Services department. This position will initially be 6 month contract with possibility of extension and/or conversion to regular employee status.

## POSITION DESCRIPTION

Working with a group of experienced chemists in a commercial lab setting, you will perform various tasks such as sample preparation and extraction, cleanup of lab, and other general lab duties.

## REQUIRED QUALIFICATIONS

- Diploma or BSc. in Chemistry
- Experience in sample preparation and clean-up techniques
- Organization, initiative, and attention to detail are highly desirable.
- Able to work independently as well as within a team setting.

## TERM

Full time position on a six month contract with possibility of extension. Hours of work are 8:15 to 4:30 Monday thru Friday with some overtime possible. Pay range is \$14 - \$15/hour.

## APPLY

Please email résumé to [careers@rpc.ca](mailto:careers@rpc.ca) referencing competition #LAOAS0519 on or before **May 31, 2019**, or send to:

Human Resources  
Research and Productivity Council  
921 College Hill Road  
Fredericton, NB E3B 6Z9

*Review of applications will begin as soon as possible and will proceed until a suitable candidate is identified. Only those applicants chosen for an interview will be contacted.*

*RPC is committed to the principle of employment equity.*
