

FOR IMMEDIATE RELEASE

RPC Hosts the Hon. Mary E. Wilson

July 16, 2019, Fredericton, NB - RPC was pleased to recently host the Honorable Mary E. Wilson, Minister of Economic Development and Small Business, Minister Responsible for Opportunities New Brunswick, and Minister Responsible for RPC. Minister Wilson enjoyed a presentation on RPC and our 57 year history as New Brunswick's provincial research organization. Her visit included a tour of several labs where she learned of successful projects supporting business and governments with science, engineering and innovation needs. RPC supports 1200 clients annually with applied research and analytical services.

Pictured above are Kevin Price, Executive Assistant to the Minister, Dr. Diane Botelho, RPC CSO, Eric Cook, RPC CEO, Minister Wilson, and Steve Holmes, RPC COO.

John Aikens explains an automation project to Minister Wilson.

Bryan Bourque explains the compressed breathing air services provided for firemen, divers and industrial workers.

About RPC

RPC is New Brunswick's provincial research organization (PRO), a research and technology organization (RTO) with locations in Fredericton, Moncton, and St. George, NB. RPC's complement of 160 scientists, engineers, technologists and support staff operate from a 13,000 sq. meter facility housing world-class analytical chemistry and material-testing laboratories, comprehensive life science capabilities, an internationally recognized fish health lab, extensive product development, design, manufacturing and testing services, and a wide variety of pilot facilities for the development and improvement of industrial and environmental processes and products.

RPC holds over 100 accreditations and certifications including a diverse ISO 17025 scope from the Standards Council of Canada (SCC) and is ISO 9001:2015 certified. Further information about RPC's services is available from www.rpc.ca.
